Dear Public Servant:

I DEMAND that you inform yourself regarding the 4 separate tracks that are being pursued by the United Nations and the World Health Organization.

These actions have the potential to dramatically alter the balance of power in the world by allocating tens of billions of dollars to the Pharmaceutical Hospital Emergency Industrial Complex that has failed miserably over the past 3-4 years.

**DON'T YOU DARE TELL ME THAT THIS IS NOT YOUR JOB.
THIS IMPACTS EVERYONE!**

You must take immediate action to expose these actions, engage in public discussion of them and work to stop these potential agreements from being adopted without proper consideration by, and respect for, the will of all of the people of the world.

MY PRIMARY DEMAND:

I call upon you to do everything in your power to revoke our nation's membership in the World Health Organization.

TRACK #1: United Nations “Political Declaration”

DEMAND #1:

I DEMAND that you do everything in your power to STOP the “Political Declaration of the United Nations General Assembly High-level Meeting on Pandemic Prevention, Preparedness and Response” that is scheduled to be adopted on September 20, 2023.

I do NOT approve of more fraudulent “diagnostic” tests and unsafe and ineffective injections that masquerade as vaccines.

It is not appropriate to spend \$30 billion/year to fund the very same systems and methodologies that not only failed over the past 4 years but actually caused additional harm and deaths around the world.

JUST SAY NO TO THE UNITED NATIONS POLITICAL DECLARATION!

TRACK #2: Amendments Adopted in 2022

DEMAND #2a:

I DEMAND that you read the amendments to the International Health Regulations that WERE ADOPTED by the World Health Assembly on May 27, 2022 and realize that there is absolutely nothing that you can do about it except support efforts to #ExitTheWHO.

https://apps.who.int/gb/ebwha/pdf_files/WHA75/A75_ACONF7Rev1-en.pdf

Most people are still unaware of the fact that amendments to the IHR were adopted and can be REJECTED by each member nation (as per Article 61 of the IHR), but the World Health Organization must be notified of that rejection before December 1, 2023.

The 194 unelected, unaccountable and unknown delegates to the World Health Assembly have been given the power to change international law with complete and total disregard for the will of the people.

THE ENORMOUS POWER GIVEN TO THESE UNELECTED BUREAUCRATS MUST BE TAKEN BACK!

DEMAND #2b:

I DEMAND that you TAKE IMMEDIATE ACTION to expose the reality that amendments to the International Health Regulations (IHR) WERE ADOPTED by the World Health Organization on May 27, 2022.

Every nation on earth was given notice of the adoption of these amendments on May 31, 2022 and was given 18 months to REJECT them and not one single public servant has said a word in opposition to these changes to legally-binding international law.

The adopted changes to Article 59 would shorten the period of time for the rejection of future amendments from 18 months to 10 months and would shorten the period of time for future amendments to enter into force from 24 months to 12 months.

You have already wasted at least 14 months of the 18 month period allotted to speak out against these amendments. You have absolutely failed in your obligation to represent “We the People” in regards to this matter.

FYI:

The people of Australia have successfully gathered 55,697 signatures in an official petition for their Parliament to address this issue. <http://Australia.StopTheAmendments.com>

The people of Canada have successfully gathered 18,973 signatures in an official petition for their Parliament to address this issue. <http://Canada.StopTheAmendments.com>

The people of the United Kingdom have successfully gathered 101,000+ signatures in an official petition for their Parliament to address this issue. People in the United Kingdom still have until October 3, 2023 to sign the petition. <http://UK.StopTheAmendments.com>

THESE ACTIONS HAVE BEEN IGNORED BY GOVERNMENTS AROUND THE WORLD. THIS IS ABSOLUTELY UNACCEPTABLE!

TRACK #3: Over 300 Proposed Amendments Currently Being Negotiated

DEMAND #3a:

I DEMAND that you read the 307 proposed amendments to the International Health Regulations (IHR) as well as the Final Report of the International Health Regulations Review Committee that are being negotiated (mostly in secret) and speak out publicly in opposition to these proposed changes to international law. These negotiations must be stopped immediately.

https://apps.who.int/gb/wgihhr/pdf_files/wgihhr2/A_WGIHR2_6-en.pdf

https://apps.who.int/gb/wgihhr/pdf_files/wgihhr2/A_WGIHR2_7-en.pdf

DEMAND #3b:

I DEMAND that you do everything in your power to obtain and read the latest draft of the proposed amendments to the International Health Regulations. Negotiations have been ongoing in secret and absolutely no updated information has been made available to the public since the original submissions were made public in December 2022.

DEMAND #3c

I DEMAND that you refrain from responding to me with platitudes regarding what you may “believe” about these proposed amendments until after you have actually read the aforementioned documents.

You must understand that THESE PROPOSED AMENDMENTS CANNOT BE STOPPED BY OUR NATION’S LEGISLATURE after they are adopted by the World Health Assembly in May 2024. YOU WILL HAVE NO SAY IN THE MATTER!

You must expose this reality as soon as possible and stop this process BEFORE the amendments are even submitted for approval.

TRACK #4: WHO CA+ Framework Convention (AKA: “Pandemic Treaty”)

DEMAND #4a:

I DEMAND that you read the “Bureau’s Text” of the proposed WHO CA+ Framework Convention (AKA: “Pandemic Treaty”) and speak out publicly in opposition to this proposed international agreement. These negotiations must be stopped immediately.

https://apps.who.int/gb/inb/pdf_files/inb5/A_INB5_6-en.pdf

This proposed agreement reads like a venture capital prospectus designed to implement crony capitalism, corruption, censorship with built-in conflicts of interest that would hand over control to a cabal of unelected and unaccountable bureaucrats.

This document is quintessentially fascist in nature, and it removes even the premise that our elected representatives or We the People will have any say in the operation of this international agreement in the years AFTER it is adopted.

DEMAND #4b:

I DEMAND that you do everything in your power to obtain the 208 page “Compilation Text” that has been kept secret from the people of the world since the member nations of the World Health Organization submitted their proposed text on April 22, 2023.

DEMAND #4c:

I DEMAND that you do NOT refer to this document as the “Pandemic Treaty” or the “Pandemic Accord.”

This proposed agreement is clearly designed to be a FRAMEWORK CONVENTION that is merely an agreement to set up yet another bureaucracy that would be designed to approve detailed protocols in the future that would govern our lives without our input or approval.

The nations of the world have already been tricked into agreeing to the United Nations Framework Convention on Climate Change and the WHO Framework Convention on Tobacco Control.

You must not allow another bureaucracy to be given authority to make decisions in secret that will impact our lives in the future. The will of the people must be protected.

WE MUST NOT ALLOW THIS TO HAPPEN AGAIN!

DEMAND #4d:

I DEMAND that you refrain from responding to me with platitudes regarding what you may “believe” about this proposed agreement until after you have actually read both the “Bureau’s Text” and obtained and read the secret “Compilation Text” of the WHO CA+ Framework Convention.

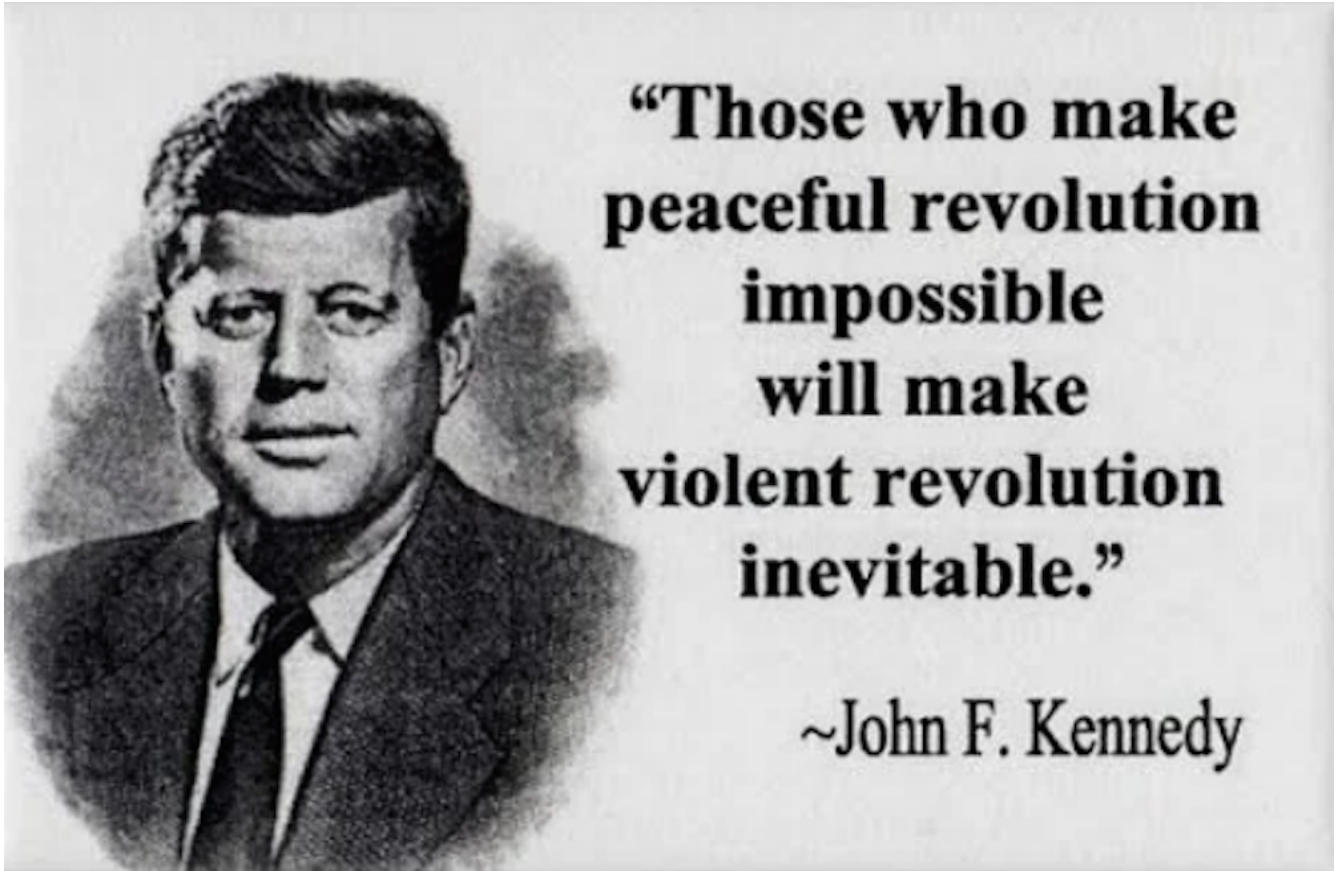

This proposed agreement is not what you think it is. If you have not read the actual document, please do not make the mistake of assuming that you know what it seeks to do. MAKE SURE THAT YOU READ CHAPTER III.

I REPEAT MY PRIMARY DEMAND:

I call upon you to do everything in your power to revoke our nation’s membership in the World Health Organization.
