

Dear

I am sending this email to you in order to make 5 requests:

REQUEST #1:

I request that you co-sponsor H.R. 79 (The WHO Withdrawal Act) or sponsor companion legislation in the Senate.

1. This WHO Withdrawal Act would do the following:
2. Instruct the President to withdraw the United States from the World Health Organization.
3. Terminate funding of the WHO.

REPEAL the Act of June 14, 1948 through which the United States began its association with the World Health Organization.

As of June 6, 2023, the WHO Withdrawal Act has 46 co-sponsors in addition to Representative Andy Biggs, who is the original sponsor of H.R. 79.

REQUEST #2:

I also request that you take action to demand that President Biden REJECT the amendments to the International Health Regulations (IHR) that WERE ADOPTED by the World Health Organization on May 27, 2022.

Most people are unaware of the fact that amendments to the IHR were adopted and can be REJECTED by each member nation (as per Article 61 of the IHR), but THE WORLD HEALTH ORGANIZATION MUST BE NOTIFIED OF THAT REJECTION BEFORE THE END OF NOVEMBER 2023.

Please note the changes to Article 59 in the official document below that would shorten the period of time for the rejection of future amendments from 18 months to 10 months and would shorten the period of time for future amendments to enter into force from 24 months to 12 months.

REQUEST #3:

I request that you read the 307 proposed amendments to the International Health Regulations that are being negotiated (mostly in secret) and speak out publicly in opposition to these proposed changes to international law.

YOU MUST UNDERSTAND THAT THESE PROPOSED AMENDMENTS CANNOT BE STOPPED BY CONGRESS IF THEY ARE ADOPTED BY THE WORLD HEALTH ASSEMBLY IN MAY 2024.

THESE NEGOTIATIONS MUST BE STOPPED IMMEDIATELY.

REQUEST #4:

I request that you read the “Bureau’s Text” of the proposed “Pandemic Treaty” (Framework Convention) and speak out publicly in opposition to this proposed international agreement.

There is nothing in this proposed document that legitimately addresses improving the health of people. It reads like a venture capital prospectus designed to implement crony capitalism, corruption, censorship with built-in conflicts of interest that would hand over control to a cabal of unelected and unaccountable bureaucrats. This document is quintessentially fascist in nature.

THESE NEGOTIATIONS MUST BE STOPPED IMMEDIATELY.

REQUEST #5:

Please watch the video interview of James Roguski by Dr. John Campbell in order to gain a better understanding of the situation. If you have any questions, you may contact James Roguski directly at 310-619-3055.

Sincerely,

THE TOP TEN REASONS TO OPPOSE THE “PANDEMIC TREATY”

- 1. THE WHO WANTS CONTROL:** Three separate times the WHO attempts to assert its desire to gain additional authority by usurping the sovereignty of the member nations. (Pages 4, 12 and 22)
- 2. COMMON BUT DIFFERENTIATED RESPONSIBILITIES:** Each nation would receive only one vote, and all nations would be legally bound by the obligations of the WHO CA+, but some nations would be required to do and provide more than others in unspecified ways. (Page 11)
- 3. WHO GLOBAL PANDEMIC SUPPLY CHAIN AND LOGISTICS NETWORK:** The WHO would be empowered to determine, control and direct the global supply of pharmaceutical products and all nations would be legally obligated to obey their dictates. (Page 13)
- 4. SPEED UP REGULATORY APPROVAL OF DRUGS:** Nations would be obligated to decrease the time required to approve new drugs, regardless of issues regarding safety and effectiveness. (Page 15)
- 5. SUPPORT FOR GAIN OF FUNCTION:** Nations would be encouraged to engage in *“innovative research and development for addressing novel pathogens”* while ensuring that regulatory standards *“do NOT create any unnecessary administrative hurdles for research.”* (Page 16)
- 6. PATHOGEN ACCESS AND BENEFITS-SHARING SYSTEM:** The WHO wants to be in control of *“all pathogens with pandemic potential, including their genomic sequences, as well as access to benefits arising therefrom.”* The WHO also wants to receive *“real-time access to 20% of the production of... pandemic-related products.”* (Pages 17-18)
- 7. ATTEMPTS TO JUSTIFY RESTRICTIONS OF UNALIENABLE HUMAN RIGHTS:** The WHO is attempting to rebrand isolation, restrictions and quarantines as *“Protection of Human Rights.”* (Page 21)
- 8. CENSORSHIP:** The WHO wants to increase funding to *“tackle false, misleading, misinformation or disinformation,” “managing infodemics through... social media”* and *“to counteract misinformation, disinformation and false news.”* (Page 23)
- 9. ENORMOUS, UNSPECIFIED COSTS:** The WHO CA+ would require tens of billions of dollars to be spent during inter-pandemic times on products that would provide dubious health benefits but consistent profits for the Pharmaceutical Hospital Emergency Industrial Complex. (Pages 25-26)
- 10. ADDITIONAL BUREAUCRACY:** The Conference of the Parties (COP) would create yet another enormous bureaucracy to be ruled over by two Presidents and 4 Vice-Presidents. (Pages 26-27)
